Good Afternoon,

I have reviewed the July-November minutes and I only have one requested change to the November minutes.

Page 10 of 13- please change complaint(s) to comment:

"Ms. Dragone said the EPA had also received the same complaint, including additional complaints of the possible reduction in RAB meetings for both Alameda and Treasure Island. ARC Ecology is concerned about the possible reduction in both the Alameda and Treasure Island RAB meetings, but specifically for Alameda since the RAB meets monthly. "

Thank you!

Melinda
